You or Your means you as a participant in or as a user of The Ellevatie Collective website. We or Our or Us means The Elevate Collective. Our site means theelevatecollective.com or any related websites under The Elevate Collective LLC's ownership or control.

SECTION 1 – WHAT DO WE DO WITH YOUR INFORMATION?

When you purchase something from our site, as part of the buying and selling process, we collect the personal information you give us such as your name, address and email address. This enables us to both fulfill and support the products you purchase.

When you browse our site, we also automatically receive your computer's internet protocol (IP) address in order to provide us with information that helps us learn about your browser and operating system so we can better improve the experience for all our users.

Email marketing: With your permission, we may send you emails about new products, free and premium content (i.e. blog posts, YouTube videos, reports/whitepapers, etc.), and special events.

SECTION 2 – CONSENT

When you provide us with personal information to complete a transaction, verify your credit card, place an order, arrange for a delivery or return a purchase, we imply that you consent to our collecting it and using it for that specific reason only.

If we ask for your personal information for a secondary reason (i.e. newsletter subscription and marketing messages), we will ask you directly for your expressed consent and provide you with an opportunity to withdraw your consent.

You may withdraw your consent at any time by clicking on an "unsubscribe" link which is offered at the bottom of every email we send.

We may disclose your personal information if we are required by law to do so or if you violate our Terms of Service. Also, if our site is acquired or merged with another company, your information may be transferred to the new owners so that they may continue to sell and support our products and services.

IMPORTANT: We do not sell, rent or otherwise disclose your personal information to any third parties, including but not limited to advertisers, strategic partners or vendors. Again, we take your privacy very seriously.

SECTION 4 – DATA STORAGE

Our shopping cart solution is hosted and managed by us using WooCommerce, but we use Paypal for our credit card processing and payment solutions. They provide us with the online capability that allows us to sell our products and services to you.

Your data is stored through Paypal's data storage, databases and the general Paypal application. They store your data on a secure server behind a firewall.

Payment:

If you choose a direct payment gateway to complete your purchase, then Paypal stores your credit card data. It is encrypted through the Payment Card Industry Data Security Standard (PCI-DSS).

Your purchase transaction data is stored only as long as is necessary to complete your purchase transaction. After that is complete, your purchase transaction information is deleted.

All direct payment gateways adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover.

PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.

However, certain third-party service providers, such as payment gateways and other payment transaction processors, have their own privacy policies in respect to the information we are required to provide to them for your purchase-related transactions.

For these providers, we recommend that you read their privacy policies so you can understand the manner in which your personal information will be handled by these providers.

In particular, remember that certain providers may be located in or have facilities that are located a different jurisdiction than either you or us. So if you elect to proceed with a transaction that involves the services of a third-party service provider, then your information may become subject to the laws of the jurisdiction(s) in which that service provider or its facilities are located.

As an example, if you are located in Canada and your transaction is processed by a payment gateway located in the United States, then your personal information used in completing that transaction may be subject to disclosure under United States legislation, including the Patriot Act.
